Notice of Dispute Resolution Mini-Grant

The Dispute Resolution Fund (DRF) was created to fund grants to carry out the dispute resolution act and to promote, encourage and facilitate dispute resolution services that are appropriate, affordable and accessible to all Kansas citizens. The mini-grant component of the DRF was created to allow Supreme Court-approved individual mediators or representatives of mediation programs to request funds to attend training sessions, contract with trainers or continuing mediation education presenters, allow approved mediators and programs to publish alternative dispute resolution materials, and help with one-time expenses.

For fiscal year July 1, 1998 through June 30, 1999, the judicial administrator and dispute resolution coordinator will award grants totaling not more than \$16,000. Grant proposals are due the 15th of the first month each quarter unless otherwise indicated. The due dates for fiscal year 1999 are November 1, 1998; January 15, 1999; and April 15, 1999.

**Notice of Environmental Quality Incentives Program
(EQIP) Roundtable Sessions**

Roundtable sessions have been scheduled to provide an opportunity for the public and NRCS/FSA field staff to report on the Environmental Quality Incentives Program (EQIP), including program improvements and successes. These roundtables will allow for the continuance of progressive and open dialogues at the grassroots level. The USDA will use recommendations received at the roundtables to make future improvements in the EQIP program. The roundtable sessions are scheduled as follows:

October 6, Denver, Colorado

10 a.m. to 4 p.m. local time
U.S. Forest Service Bldg., 740 Simms (Lakewood)
(303) 275-5090

October 8, Kearney, Nebraska

10 a.m. to 4 p.m. local time
Ramada Inn, 110 S. 2nd Ave. and/or
Interstate 80, Exit 272
(308) 237-5971

An open invitation is extended to those who desire to make comments on the EQIP program. Participants may speak up to five minutes or may provide written testimony. Participants would be the general public, especially farmers and ranchers, including those who received benefits; interested partners and organizations; and USDA field employees. Written testimony should be sent by October 16 to Judy Johnson, Northern Plains Regional Conservationist, NRCS Northern Plains Regional Office, Federal Building, Room 152, 100 Centennial Mall North, Lincoln, NE 68508-3866.

EQIP, a part of the 1996 Farm Bill and now in its second year, provides technical, financial and educational assistance for natural resources needs. Half of the dollars target livestock-related problems such as grazing distribution and manure management, and the other half targets more general conservation practices such as terraces, grassed waterways and pest management. Nationally, this program authorizes \$200 million per year through 2002.

Roundtables will be held throughout the nation. Other states in the NRCS Northern Plains Region are Nebraska, South Dakota, North Dakota, Montana, Wyoming and Colorado.

For more information, contact Mary Shaffer, Public Affairs Specialist, NRCS, 760 S. Broadway, Salina, 67401, (785) 823-4571 or fax (785) 823-4540.

Legal Opinion

The bonds will be sold subject to the legal opinion of Hinkle, Eberhart & Elkouri, L.L.C., Wichita, Kansas, bond counsel, whose fees will be paid by the county. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of bond sale for a discussion of tax exemption and other legal matters.)

Financial Matters

The county's current equalized assessed tangible valuation is as follows:

Assessed Valuation of Taxable Tangible Property	\$51,155,488
Motor Vehicle Valuation	6,980,617
Assessed Tangible Valuation for Computation of Bonded Debt Limitations	\$58,136,105

K.S.A. 10-306 provides that the authorized and outstanding bonded indebtedness of any county shall not exceed 3 percent of the assessed valuation of the county. The county's outstanding general obligation bonded indebtedness at October 15, 1998, including the bonds described herein, will be \$865,000.

Official Statement

The county has prepared a preliminary official statement relating to the bonds, copies of which may be ob-

tained from the county or the county's financial advisor. The preliminary official statement is in a form "deemed final" by the county for the purpose of the Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the county shall furnish the successful bidder with a reasonable number of copies of the final official statement, without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered by the successful bidder at its expense.

Continuing Disclosure

Securities and Exchange Commission Rule 15c2-12, as amended effective July 3, 1995, provides that brokers, dealers and municipal securities dealers must comply with certain requirements before acting as an underwriter in a primary offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.

The bonds described herein will be offered in a primary offering with an aggregate principal amount of less than \$1,000,000. Accordingly, in the opinion of bond counsel,

the offering and sale of the bonds described herein does not constitute an offering as defined by the rule, and the requirements of the rule do not apply to brokers, dealers and municipal securities dealers acting as underwriters in connection with the bonds described herein.
